

ANNA MARIA FLECHERO

JAZZ VOCALIST & SONGWRITER

MUSIC REVIEWS (EXCERPTS)

"Dynamic, Authentic, Fresh with Bipolarity, an unusual contribution to the vocal jazz literature."

Herb Wong – Founder Palo Alto Jazz Alliance/Broadcaster, Record Producer, Annotator, Past-President of the Int'l Assn. of Jazz Educators, Spirit of the Monterey Jazz Festival

"Anna Maria Flechero is the real deal, great backing, and the Cedar Walton Trio is outstanding!"

Peter Kuller, Radio Adelaide 101.5 FM – Australia

"Within the Fourteenth Hour: What a great title for a CD of which you could listen to for at least fourteen hours! Right away in the first track, 'Misty' you are overwhelmed by the great experienced vocal skills of Anna Maria. What a great rendition of 'What a Difference a Day Makes', on which the instruments take an important part of the music, but never overwhelm the vocals. On this gem of a CD, you'll find a great performance on 'Autumn Leaves' and of course 'Pretty Soon' which not only has great lyrics but also a special message. Buy this CD and enjoy the music!"

Joost Van Steen, Jazz & Blues Tour Radio – The Netherlands

"Within the Fourteenth Hour is an outstanding CD of jazz and pop standards with one original. Flechero takes these gems and makes them her own, performing with the Cedar Walton Trio on two cuts." RIYL: Cassandra Wilson, Sarah Vaughan (4-1/2 stars out of 5)

Les French, WMEB 91.9 FM -Orono, ME

"Great phrasing and instrumental backup."

George Middleton – KLBC Long Beach

"Oh My! Just heard Anna Maria Flechero... Oh My!... Oh My!... Oh My!... What a voice!!!! What feeling!!! What a story teller!!!"

Michael Matheny, radiolO Vocal JAZZ

"It's safe to say that Flechero is a song stylist. She has a nice, warm voice with nice timbre. She exhibits her skills by varying delivery and phrasing and throwing in a little (not too much!) scat. She manages to be both laid back and intense in delivering the lyrics."

Jeremiah Sutherland, Bullfrog Music
